# WHAT ARE VA BURIAL ALLOWANCES

VA burial allowances are partial reimbursements of an eligible Veteran's burial and funeral costs. When the cause of death is not service related, the reimbursements are generally described as two payments: (1) a burial and funeral expense allowance, and (2) a plot or interment allowance.

#### WHO IS ELIGIBLE

You may be eligible for a VA burial allowance if:

you paid for a Veteran's burial or funeral, AND

you have not been reimbursed by another government agency or some other source, such as the deceased Veteran's employer, **AND** 

the Veteran was discharged under conditions other than dishonorable.

# In addition, at least one of the following conditions must be met:

the Veteran died because of a service-related disability, **OR** 

the Veteran was receiving VA pension or compensation at the time of death, **OR** 

the Veteran was entitled to receive VA pension or compensation, but decided not to reduce his/her military retirement or disability pay, **OR** 

the Veteran died while hospitalized by VA, or while receiving care under VA contract at a non-VA facility, **OR** 

or the Veteran died while traveling under proper authorization and at VA expense to or from a specified place for the purpose of examination, treatment, or care, **OR** 

the Veteran had an original or reopened claim pending at the time of death and has been found entitled to compensation or pension from a date prior to the date of death, **OR** 

the Veteran died on or after October 9, 1996, while a patient at a VA-approved state nursing home.

## **Presidential Memorial Certificates**

A Presidential Memorial Certificate (PMC) is an engraved paper certificate, signed by the current President, to honor the memory of honorably discharged deceased Veterans.

## **History**

This program was initiated in March 1962 by President John F. Kennedy and has been continued by all subsequent Presidents. Statutory authority for the program is Section 112, Title 38, of the United States Code.

#### **Administration**

The Department of Veterans Affairs (VA) administers the PMC program by preparing the certificates which bear the current President's signature expressing the country's grateful recognition of the Veteran's service in the United States Armed Forces.

# **Eligibility**

Eligible recipients include the next of kin and loved ones of honorably discharged deceased Veterans. More than one certificate may be provided.

# **Application**

Eligible recipients, or someone acting on their behalf, may apply for a PMC in person at any VA regional office or by U.S. mail or toll-free fax. Requests cannot be sent via email. Please be sure to enclose a copy of the Veteran's discharge and death certificate to verify eligibility, as we cannot process any request without proof of honorable military service. Please submit copies only, as we will not return original documents.

# **Sending Your PMC Request Using Our Toll Free FAX Line**

# INSTRUCTIONS FOR SENDING VA FORM 40-0247 Application for a Presidential Memorial Certificate

NOTE: This toll free fax service is available for PMC requests for all veterans that are buried in a Private Cemetery, State Veterans Cemetery, and in a VA national cemetery. Some State Veterans Cemeteries automatically order a PMC for a veteran burial so please check with the cemetery administrator before ordering.

PLEASE - WHEN USING THE TOLL FREE FAX DO NOT SEND A PAPER COPY OF THE APPLICATION THROUGH THE MAIL

To ensure your application is processed quickly and the certificate is delivered without errors, please follow all of the steps below:

- 2. Fill out the application as completely as possible to include your phone number.
- 3. Sign the application form before faxing. If the PMC is for the Next Of Kin (NOK), please have the NOK sign the form. VSO's, Funeral Homes and agents of the veteran's family may sign the form if delivery is to their address. Please make the family aware of the PMC request whenever possible prior to sending the request.

Military discharge documents are needed to establish eligibility. A cover sheet is not required if your fax consists of a fully completed and signed application form and discharge document. If you aren't sure if you are using the most current version of the application form, select the following link:

VA Form 40-0247, Application for a Presidential Memorial Certificate

# **Burial Flags**

# Why Does VA Provide a Burial Flag?

A United States flag is provided, at no cost, to drape the casket or accompany the urn of a deceased Veteran who served honorably in the U. S. Armed Forces. It is furnished to honor the memory of a Veteran's military service to his or her country. VA will furnish a burial flag for memorialization for each other than dishonorable discharged

- Veteran who served during wartime
- Veteran who died on active duty after May 27, 1941
- Veteran who served after January 31, 1955
- peacetime Veteran who was discharged or released before June 27, 1950
- certain persons who served in the organized military forces of the Commonwealth of the Philippines while in service of the U.S. Armed Forces and who died on or after April 25, 1951

# Who Is Eligible to Receive the Burial Flag?

Generally, the flag is given to the next-of-kin, as a keepsake, after its use during the funeral service. When there is no next-of-kin, VA will furnish the flag to a friend making request for it. For those VA national cemeteries with an Avenue of Flags, families of Veterans buried in these national cemeteries may donate the burial flags of their loved ones to be flown on patriotic holidays.

# **How Can You Apply?**

You may apply for the flag by completing VA Form 27-2008, Application for United States Flag for Burial Purposes. You may get a flag at any VA regional office or U.S. Post Office. Generally, the funeral director will help you obtain the flag.

## Can a Burial Flag Be Replaced?

The law allows us to issue one flag for a Veteran's funeral. We cannot replace it if it is lost, destroyed, or stolen. However, some Veterans' organizations or other community groups may be able to help you get another flag.

# How Should the Burial Flag Be Displayed?

The proper way to display the flag depends upon whether the casket is open or closed. VA Form 27-2008 provides the correct method for displaying and folding the flag. The burial flag is not suitable for outside display because of its size and fabric. It is made of cotton and can easily be damaged by weather.

# Flag Presentation Protocol and Flag Folding

A United States flag drapes the casket of deceased veterans to honor the memory of their service to the country. The ceremonial folding and presentation of the flag is a moving tribute of lasting import to the veteran's family.

The flag is placed on a closed casket so the union blue field is at the head and over the left shoulder of the deceased.

After Taps is played, the flag is carefully folded into the symbolic tri-cornered shape.

It is then presented as a keepsake to the next of kin or an appropriate family member.

The Flag Presentation Protocol is as follows:

Stand facing the flag recipient and hold the folded flag waist high with the straight edge facing the recipient.

Lean toward the flag recipient and solemnly present the flag to the recipient.

Effective April 17, 2012, the Department of Defense standardized the flag presentation verbiage for military funeral honors ceremonies. The following verbiage will be used when presenting the American flag during the funeral service:

'On behalf of the President of the United States, (the United States Army; the United States Marine Corps; the United States Navy; or the United States Air Force), and a grateful Nation, please accept this flag as a symbol of our appreciation for your loved one's honorable and faithful service.'

The United States Coast Guard is invited to use the same verbiage.
